Twin Parks Aged Care Centre

33-47 BLAKE STREET, RESERVOIR

Offering a unique combination of community, safety and diversity with 24-7 clinical care, a tailored lifestyle program, and a full range of amenities.

Twin Parks Aged Care Centre (Twin Parks) combines large-home residential aged care with friendly, safe, community-based living. Set amid lush parkland close to Northland shopping and local services, the home offers permanent and short-term respite care that includes dementia-friendly, palliative, and transitional care.

The health and safety of residents is our top priority and drives everything we do. Highly trained nursing and carer staff provide 24-7 clinical care, complemented by a vibrant lifestyle program with tailored weekly activities.

Residents enjoy a full range of amenities including private dining, cinema, hair and beauty salon, chapel, parkland views, covered BBQ, and alfresco and landscaped gardens.

The home's many features, size, community spirit and superb location make it a unique destination for those seeking to live life with vitality and dignity.

Twin Parks Aged Care Centre

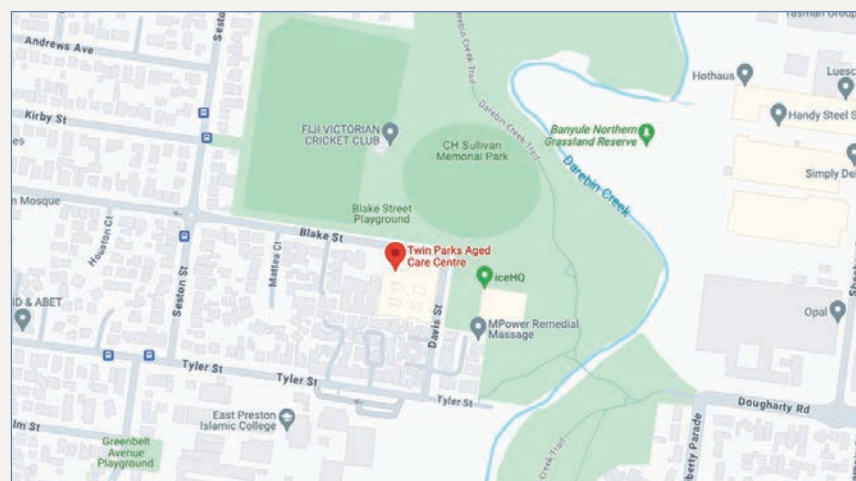

33-47 BLAKE STREET, RESERVOIR

Twin Parks Aged Care welcomes back Nisah Maideen as Residence Manager.

As Residence Manager of Twin Parks, Nisah brings a strong depth of experience in nursing management across multiple segments of aged care in Australia. Having worked for approved aged care providers like Estia, Baptcare, CraigCare and Doutta Gala, Nisah understands what makes a successful aged care home – for residents, their families, and staff.

“It’s a privilege to be there for someone in their later years of life. They’ve given a lot to society and their lives haven’t always been easy. They deserve the best care experience we can provide.

“To help me stay focused on what’s important, I think about my older family members and what sort of care they deserve – and what I would appreciate as a relative of the loved one in care.”
